Visage GPS Units on Golf Carts

Visage GPS units improve golfer experience

Golf Carts at Seven Bridges feature comfortable bucket seats, USB charging ports, Interactive GPS units, and new safety features to enhance your golfing experience. Golfers offered positive feedback all season on the performance and quality of the GPS units and carts. The cart GPS is a great way to identify event sponsors during the round and provides an attention-grabbing canvas to give your valued sponsors even more exposure at your outing. The new addition of the USB charging ports on the carts provide a convenient way to keep your phone charged while golfing. No more stressing about missing an important call or draining your battery playing some soft tunes rolling down the fairway. Come join us in 2022 to see how these new features enhance your golfing experience and add value to you golf outings!

Money Raised Through Charity Golf Outings Continue to Rise in 2021

Each year we host dozens of charity golf events with many of the same groups returning year after year. Our mix of unique money raising techniques, exclusive charity pricing, sponsorship opportunities, and a first-class golf and dining experience always create the perfect recipe for a successful charity golf outing. In 2021, we were able to again help raise thousands of dollars for so many wonderful organizations. We are so appreciative of all our charity partners. It is very rewarding working with so many local charities on their golf outings, and seeing them all come together for a day of fun and fundraising.

If you are looking for new home for your 2022 Charity Golf Outing, please reach out to us and learn more about how we can create another success story like the groups detailed above. Our professional staff can assist with planning/promoting the event, website creation, food/beverage accommodations, money raising initiatives, and ensuring a smooth event from start to finish. Reach out to our Tournament Director Geoff Clam for more information on how to host your most successful golf outing yet in 2022!
